

PENELOPE COURT 21 PLANET STREET PROVIDENCE 3 RHODE ISLAND

March 23, 1962

Dear Mr. Darling:

I had been informed that you were out of Town, in writing to Robb of the Yankee, your address given me of Barrington; I assume this will reach you.

A long time has lapsed since of last late spring when you were here so kind and giving much of your time and interest to the activity with studio and classes. And have missed you since.

Needless to say, how very well and the amount of pictures used in the Yankee and the bit of well chosen word content. There has been much favorable comment and I do wish to acknowledge the appreciation of all your efforts put into this pursuit.

Also I do value the photos you gave me. Again am exceedingly grateful to you.

Sincerely
Gunderson
